HOREB MAR THOMA CHURCH

LOS ANGELES

World Day of Prayer 2016

The World Day of Prayer is a worldwide ecumenical movement lead by Christian women who come together to observe a common day of prayer and action each year on and around the first Friday in March.

This year's worship is prepared by the women of Cuba. The theme is "Receive children, Receive me." The social justice concerns in the Cuban community are Emigration due to Cuba's economic crisis, violence against women, children's rights and economic empowerment. Praying for and with a writer country compels us to be empathetic and engage in global solidarity. It also broadens our worldview to be more inclusive by encountering the breadth and depth of Christian experience. Sharing prayers, music, culture, and art helps us discover commonalities and differences to that can be respected and celebrated.

This year our WDP Service is a special one for the Horebites as this will be our first joint venture with the host United Methodist church and the Korean, Samoan, and Vietnamese congregations. What better way to come together than uniting in prayer? Looking forward to worshipping with everyone on March 6th.
